**Prime Minister Shri Narendra Modi Engages in a Two-Way Dialogue with Students,
NSS Volunteers, and Athletes of D.A.V. College, Kanpur
, August 27, 2026.**

An Inspiring Dialogue on Youth Skills, Sports Talent, and Contributions to Nation-Building. A special and inspiring 'Youth Connect' program was organized for the youth at D.A.V. College, Kanpur, on August 27, 2026, at 11:00 AM. The highlight of the event was a direct, two-way dialogue between the Hon'ble Prime Minister of India, Shri Narendra Modi, and the NSS volunteers, athletes, and other students of D.A.V. College, Kanpur. This program was highly significant in terms of connecting the youth with the nation's development journey, fostering leadership qualities, skills, discipline, self-confidence, and sportsmanship, and inspiring them to participate actively in nation-building. During the interaction, Prime Minister Shri Narendra Modi placed special emphasis on the dreams, capabilities, skill development, and sports talent of the youth, as well as their role in the nation's progress. A unique feature of the event was the opportunity for students to engage in a direct, two-way conversation with Prime Minister Shri Narendra Modi. Through this dialogue, students heard the Prime Minister's thoughts, experiences, and guidance firsthand. The Prime Minister urged the youth not to limit themselves merely to acquiring an education but to develop their skills and talents, embrace new challenges, and make positive contributions to society and the nation.

He inspired the youth to move forward with hard work, discipline, self-confidence, and a spirit of continuous learning. Special emphasis was placed on encouraging students involved in sports and fostering a sense of sportsmanship, leadership, teamwork, and responsibility towards the nation among the youth. The program highlighted the importance of the creative contributions of the youth, describing them as the country's greatest strength. Students were given the message that the role of the youth is crucial in shaping India's development and future. Through education, skills, innovation, sports talent, and social service, the youth can steer the country in a new direction.
